

Suncoast Tropical Fruit and Vegetable Club

Meeting Notice

Next Meeting: Wednesday, July 9, 2014
Where: Main Room Nokomis Community Center
234 Nippino Trail East, Nokomis, FL 34275
Agenda: 6:30 pm Set-up
7:00 pm Start of the "Picnic at the Community Center"

As I mentioned at our June meeting, we thought we would try something a little different for our July meeting. We are calling it a "**Picnic at the Community Center.**" The club has been going now for 18 months and during that time frame we have had an interesting group of speakers that has made us all better and smarter gardeners.

The idea for the "picnic" is to have a social event coupled with a "round table" of our members to ask and answer your questions regarding your garden. The weather in Florida in July is not conducive for gardening but it is not too early to start thinking and planning for the fall and late summer starter plants for the fall garden.

Here is the plan. We want every member to bring a dish to eat for the "picnic". Whether it is seasonal fruit, items in your freezer from the past growing season, or your own favorite picnic food (and, of course, the beverage of your choice) everyone must bring something. We will set the room up so everyone faces each other and while we all enjoy the good food we can have a Q&A session so members can access each others expertise.

Confirmation for Picnic

This is a members only event to include husband, wife, significant other, etc. Please let me know how many of you plan to attend the "picnic" so we can have the room set-up properly.

No Plant Raffle

We will not have a plant raffle at the July meeting so save your plant donations for the August meeting.
